Re: Keystone Sanitation Landfill

Dear Mr. Towle:

As a follow up to my correspondence to you of July 7, 1988, please be advised that United's officials are currently in the process of locating and reviewing records related to all dealings that our company may have had with Keystone Sanitation Landfill.

We have found during the course of our investigation that we must examine carefully copies of numerous invoices, accounts payable and accounts receivable for the applicable time period. Consequently, our research has developed into a more extensive task than what we originally contemplated.

We once again ask for your indulgence as we attempt to complete our internal investigation in this matter. Thank you once again for your patience. In the meantime, if I can be of any assistance to you, please do not hesitate to call.

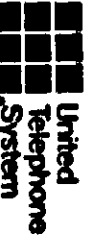

Sincerely,

H. Kay Dailey
